- Rinse and hold
- Auto half load
- Multi-tab
- Delay start of up to 24 hours
- Time remaining indicator
- Height adjustable upper basket

Dedicated protection for your delicate glasses

Glasses are often the most delicate items in your dishwasher, which means they need special care. The upper basket in this dishwasher has soft rubber spikes to support and protect glasses. The SoftSpikes stabilise your glasses and mugs efficiently, preventing them from falling over and possibly

Removes more than 99,9999% of bacteria and viruses*

The ExtraHygiene function gives you maximum cleaning performance with hygienic care. With the ExtraHygiene function, the final rinse phase heats up to 69°C and keeps the temperature high for minimum 10 minutes to sanitize your dishes, removing more than 99,9999% of bacteria and viruses*.

Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

QuickLift—adjust the basket height even when fully loaded

Indulge in the efficient amenities provided by the QuickLift basket. Regardless if you have a full load with bulky items, you can effortlessly adjust the height so you can easily fit dishes and kitchen tools of different shapes and sizes.
