

Professional performance thanks to larger cooking area

This hob's larger cooking area provides the space you need to cook to professional standards, especially when larger, specialist pans are required.

Product Benefits & Features

Maximise your cooking options

This hob has both an extendable zone and an oval multipurpose zone, so you have much wider choice over the size or shape of the pots and pans you use.

- Automax function
- Residual heat indicators
- 15 stage digital power level displays
- Child safety control lock
- Control lock
- Front left zone: Dual Hilight® zone
- Front right zone: Single Hilight® zone
- Rear left zone: Single Hilight® zone
- Rear right zone: Multi-purpose Hilight® zone

Intelligent AutoMax function

Automax brings the zone up to the boil and then will reduce it to the pre-selected powerlevel for the remainder of the cooking time.

Total control over cooking time

The adjustable timer (max. 99 minutes) will remind you of the cooking time. It can also be used as a minute minder when the zones are not in use.

Perfectly safe for your children

The child safety lock ensures that the hob settings cannot be accidentally changed, so you can use the hob safely when your children are around.
